Allowable Subject Matter

2. Claims 1-20 are allowed over the prior art of record.

Reasons For Allowance

3. The following is an examiner's statement of reasons for Allowance:

Regarding independent claims 2,4,9,10,11, and 19 applicant's particular method and associated system for volume allocation in a storage management system for managing operation of a storage device connected via a network by use of a storage management server, which includes obtaining information on operation history of the storage device from a memory device for storing, as history, information including a performance value of a disk group obtained upon actually operating the storage device; obtaining from the storage device information on specification values including a performance value; determining at least one candidate of an allocable volume by obtaining a performance margin and using the performance margin to determine the at least one candidate of an allocable volume; storing previously, in the memory device, a plurality of policies, one of which is selected by designating the condition for allocating

Art Unit: 2161

the volume in the client, wherein each of the plurality of policies includes information on at least the performance value and an operating time zone; storing previously, in the memory device, information on a forecasted performance value per unit time, a theoretical performance value, and information of the operation history of the volume of the disk group as an allocated target; wherein the forecasted performance value is an average performance value per unit time based on the operation history of a capacity; wherein the theoretical performance value is a performance value at which the disk group theoretically exhibits maximum performance; and wherein the performance value at which the disk group theoretically exhibits maximum performance is obtained by multiplying the number of drives in the disk group by the performance of each drive in combination with other limitations of the claims, was not disclosed by, would not have been obvious over, nor would have been fairly suggested by the prior art of record.

The dependent claims, being further limiting to the independent claims, definite and enabled by the specification are also allowed.

Comments

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
